Wholesale paddle boards business starting

Learn from Pakaloe SUP how to start your inflatable stand up paddleboard business and build a tribe of paddlers in your community. Whether you are starting a new inflatable paddle board rental business, adding Paddle Boards to your existing business, or growing a rental fleet, Pakaloe SUP has the highest quality gear available in the industry.

Wholesale paddle boards to boost your business

Participate in the SUP craze by starting your very own SUP rental, tour, as well as or paddleboard lesson business. Drive down your paddleboard price of acquisition by buying in bulk with Pakaloe SUP inflatable paddleboards. Anywhere there is water, paddleboarding is coming. Business people around the country are eliminating it with this simple to set-up business model. Pakaloe SUP is a MASSIVE fan of paddle board rental businesses, so we support it with paddleboard rates even much better than our currently direct to customer rates. You got the word out on SUP (and with Pakaloe SUP Paddle Boards), and so we're right here to aid!

We do not use hardboard paddle boards to SUP rental fleets because the entire market is moving towards inflatable paddle boards because of their durability as well as exactly how easy they are to store. What's even more - with [inflatable paddle boards](#), you can offer your
